

Change user data or 2FA state

Changing or disclosing user data (username, e-mail) as well as resetting the two-factor authentication method by Umbrella Support is only possible for the person who has been designated to Umbrella as Admin User.

I hereby apply for:

(please mark with a cross where applicable)

- ☐ changing / disclosing the stored username
- ☐ changing / disclosing the stored e-mail address
- ☐ resetting the two-factor authentication method

for my Umbrella Faces User Account.
