

# Publishing (Traveller Tab)

## Overview

### Publishing

---

Amadeus CSX      Last published at 11:03:08 on 18-May-2020, result was: Associated company has no record locator

Profile no.      -

### Description

Field	Description
Publishing	<ul style="list-style-type: none"><li>• A synchronization status of the traveller profile to any interfaces that have been activated on the company profile will be indicated here This applies to successful as well as unsuccessful transmissions.</li><li>• For an initial and successive successful synchronization, the profile number is also deposited under "Profile no". This can be a PAR Title, record locator, username and so on depending on the target GDS/ OBE.</li><li>• For failed initial synchronizations as in the above example, no "profile no" is deposited in the profile. These errors are also reflected in the <a href="#">Profile Center</a> under Publishing errors</li></ul>
