Cytric Configuration

Please open a "Service Request" in Amadeus Service Hub (ASH) to request for cytric Companion activation. You can find the template (cCPS activation) under: https://servicehub.amadeus.com/c/portal/view-solution/65590231. If you do not have access to ASH, please contact your Amadeus account manager for further support.

Cytric Companion for Profile Synchronization

The Client ID in the "cytric Companion for Profile Synchronization - Rules for Activation" need the following activations:

- Inform about user profile creation
- Inform about update of existing user profiles
- Inform about deletion of user profiles
- Allow the usage of overwrite functionality
