Profile Reminder - Passport expiry 8 months

Automatic email alerts for passports will be sent to the traveller, travel arranger, company or agency administrator 8 months instead of 6 months before the expiration .

Privacy Policy

In the agency tab a new checkbox "Use own Privacy Policy" is selectable, where either the Umbrella Privacy Policy or just the own agency policy can be shown.

Privacy policy

French (Belgium)

Add new ...

Use own Privacy
Policy

☐

Force all users to (re-)accept this policy

Note: By activating the "Use own Privacy Policy" at least one own agency privacy policy needs to be stored.

New Sources for synchronisation

With the following sources we improved the synchronisation to the interfaces.

Amadeus

Amadues Prefix	Description
----------------	-------------

PFO	Format to be used PFO/<text>/<dateformat DDMMYYYY> e.g. PFO/CHECK UNUSED TICKETS/10MAY2021
-----	--

Cytric

Cytric Source	Cytric Field
ShareContactEmail	Personal Data Share e-mail address to receive notifications from the airline
ShareContactMobile	Personal Data Share mobile number to receive notifications from the airline
ShareContactMobilePhone	Personal Data Mobile Telephone
personalDataGender	Personal Data Gender
defaultDepartureRailStation	Personal Preferences Default Departure Rail Station

Note:

To synchronize the email/phone into a SR CTCE/CTCM in e.g. Amadeus CSX the setup beside the custom field needs to have the following custom publish action.

Action	Profile type	Interface	Source	Target
COPY	T	CSX	tf:replace(genInternalShareContactEmail, "yes=CTCE;no="),email	SR*{}YY/{}
COPY	T	CSX	tf:replace(genInternalShareContactMobile, "yes=CTCM;no="),genInternalShareContactMobilePhone	SR*{}YY/{}

Sabre

Sabre Source	Sabre Red Profile Field
9{}-C	Contact Information Phone Type: Mobile
