Release Note 26. May 2021

Amadeus & Sabre subfields to Target GDS toggle

The relevant subfields for the Target GDS Amadeus & Sabre are now positioned to the Target GDS toggles. Fields which are effected are

Amadeus:

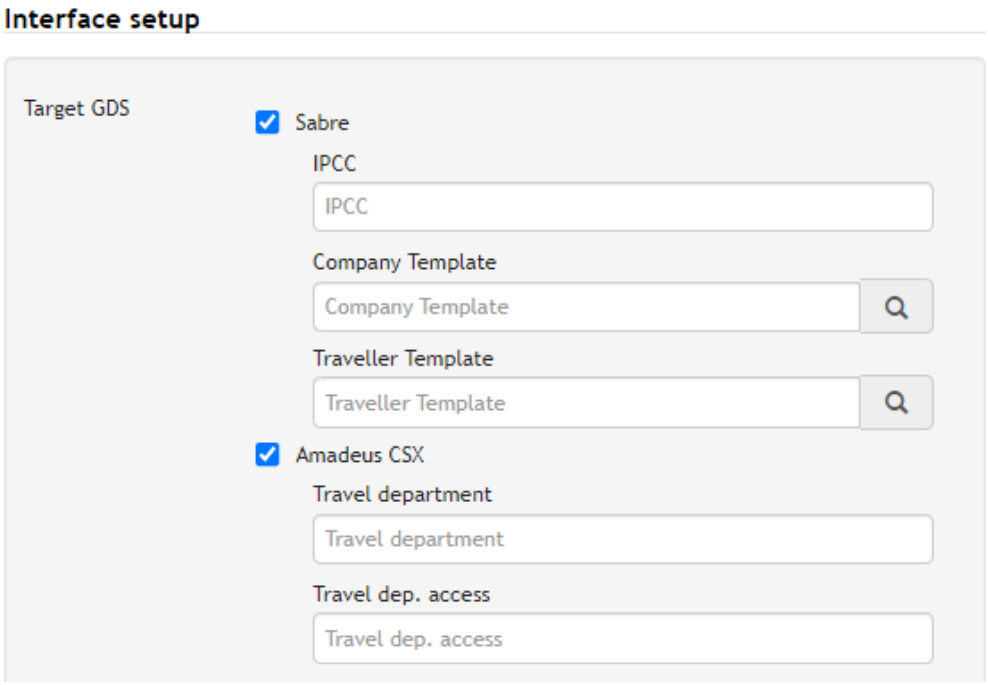

- Travel department*
- Travel dep. access*

** will be renamed to Amadeus OID and Org-ID with the next release!*

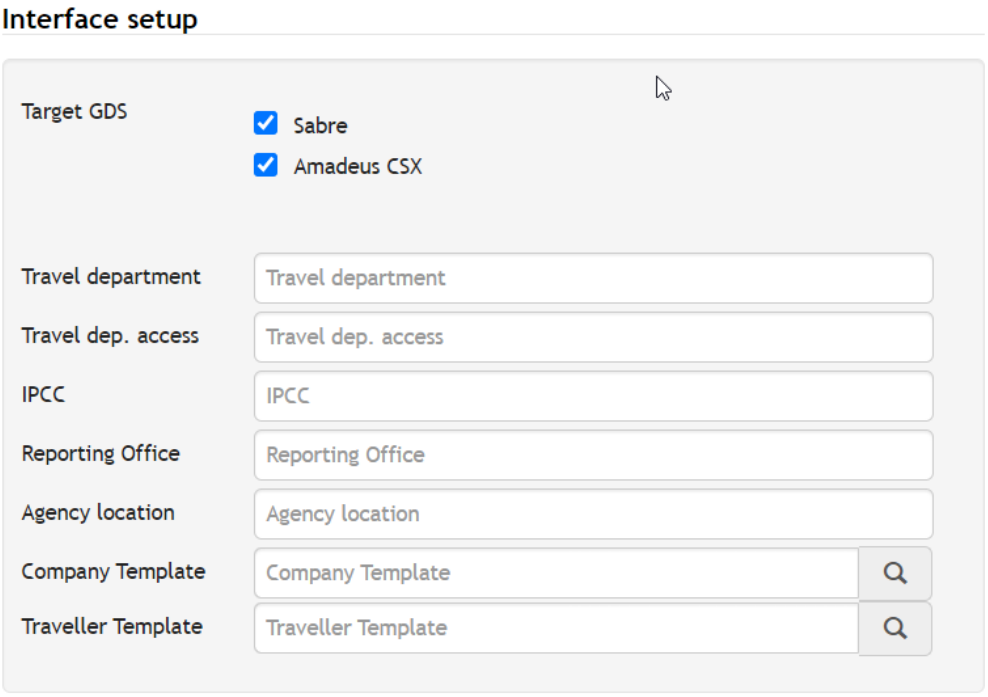

Sabre:

- IPCC
- Company Template
- Traveller Template

New Design:

Old Design:

CSV file Headers:

Filed	Old CSV file header	New CSV file header*
Amadeus OID	csxOverrides.office	sortedTargetSystems0.attribute1
Sabre PCC	sabreOverrides.office	sortedTargetSystems0.attribute1
Sabre Company Template	sabreCompanyTemplate	sortedTargetSystems0.attribute2
Sabre Traveler Template	sabreTravellerTemplate	sortedTargetSystems0.attribute3

*All headers only apply in case of a single GDS configuration. In case multiple GDS may number in value "sortedTargetSystems<number>.attribute1" differs.
