

# Release Note 17. June 2021

## Rail Information - Form of Payment

A new field "Form of Payment" in the section "Rail Information" is available. In the new field, the entered credit cards can be chosen.

### Rail information

The Form of Payment is mapped to Concur and Sabre

System	Target
Sabre	Form of Payment / Payment Usage <Rail> / Trip type <All> / Card Code, Card Number, Expiration Date
Concur	Credit Cards / Rail Tickets
Copy Source for other target systems	railFormOfPaymentCard.type, railFormOfPaymentCard.number, railFormOfPaymentCard.expiration

## New Sabre Sources

With the following sources we improved the synchronization to Sabre.

Profile Type	Sabre Field	Source
Company	Corporate Information / Corporation Type <ul style="list-style-type: none"><li>possible values: LRG, GLB, MED, SML, TRB</li></ul>	CorporationTypeCode
Company	Corporate Information / Contact Name / First Name & Last Name	CORP_CTC%GivenName={}, SurName={}
Traveller	Contact Information / Emergency Contact <ul style="list-style-type: none"><li>new sources for: Address Line 1, Address Line 2, City, Country</li><li>(needs to have individual custom defined fields and a copy action)</li></ul>	EMERG_CTC%FirstName={}, LastName={}, Phone={}, Email={}, AdditionalInfo={}, PhoneCityCode={}, A
Company / Traveller	Address / Order Sequence Number	5/{}\$5/{}\$5/(),{} {}*{}%S/1 or 5/{}\$5/{}\$5/(),{} {}*{}%T/HOM,S/1
