

Release Note - 21. June 2022

Credit cards - Name on Card

We added a new Umbrella Faces standard field 'Name on Card' in the traveller profile credit cards section. All new and existing traveller profiles are prefilled with the travellers first, middle and lastname.

The value of the field Name on Card is available and editable through the on-demand API.

```
{
  "uuid": "bd380903-2e49-4920-9823-45626357c367",
