

# Cytric Configuration

Please open a "Service Request" in Amadeus Service Hub (ASH) to request for cytric Companion activation. You can find the template (cCPS activation) under: <https://servicehub.amadeus.com/c/portal/view-solution/65590231>. If you do not have access to ASH, please contact your Amadeus account manager for further support.

## Cytric Companion for Profile Synchronization

The Client ID in the "cytric Companion for Profile Synchronization - Rules for Activation" need the following activations:

- Inform about user profile creation
- Inform about update of existing user profiles
- Inform about deletion of user profiles
- Allow the usage of overwrite functionality
