## Travelport Configuration (Galileo)

In order for Umbrella Faces to interact with Galileo/Travelport+, access must be setup by your local Travelport Office. Please request online access for your PCC with a new Host Access Profile (HAP), which needs to reference our CCCPT 178839. Additional to your request, Umbrella has to also create a Travelport support ticket to receive the credentials, therefore please provide us with your PCC's

## Specific publishing translations

Тур	Prefix	Translation
General	-	• "+" = " " • "%" = " " • " = " " • " = " = " "
Name	N.	<ul> <li>Company: "+" = " AND "</li> <li>Traveller: " ' " and "." = ""</li> </ul>
Address	D., W.	":" = "-"
